Questions & Answers

- **Who is providing this service?**

The Area Agency on Aging 3 in partnership with F.A.C.T.S. will link individuals who need transportation with a community transportation provider.

- **How does it work?**

Anyone can call for a free assessment of community transportation options. Depending upon the type of service that is identified to best fit your needs, you may be asked for a donation or to pay for your transportation. This program is designed to specifically address the needs of individuals over 60 and those under 60 with a disability.

- **What if I need to go somewhere on the weekends or if I need to travel outside of the service area?**

Weekend travel and trips outside the service area can be accommodated depending on the situation and provider availability.

- **What can I do to help make transportation services available to those who need it?**

Please call if you would be willing to provide transportation services in your community.
